

All Purpose Cleaner

Good for: Countertops, kitchen floors, windows, and mirrors

Storage: 32-ounce spray bottle

INGREDIENTS

2 cups white distilled vinegar

2 cups water

20-30 or more drops essential oil

(optional...it adds a nice scent)

Tip: Microwave (in a glass container only) until barely hot to boost cleaning power for tougher jobs.

Creamy Soft Scrub

Good for: Kitchen counters, stoves, bathroom sinks, bathtubs

Storage: Sealed glass jar. Shelf life is 2 years.

INGREDIENTS

2 cups baking soda

1/2 cup liquid castile soap

4 teaspoons vegetable glycerin
(preservative)

5 or more drops essential oil

Tip: For really tough jobs, spray with vinegar first. Let sit and follow with scrub.

Laundry Detergent

Good for: All laundry except silks, woolens, or vinyl

Storage: Pint-sized glass jar

INGREDIENTS

REGULAR WATER

1/2 cup soap flakes
1/2 cup washing soda
1/2 cup borax

SOFT WATER

1/2 cup soap flakes
1/4 cup washing soda
1/2 cup borax

HARD WATER

1/2 cup soap flakes
1 cup washing soda
1 cup borax

Try making your own soap flakes by grating your favorite vegetable soap with a cheese grater. Use 1 tablespoon per load or 2 tablespoons for heavily soiled laundry.

Tip: Gloves are recommended as washing soda may irritate skin after prolonged contact.

Tip: Add 1/2 cup white distilled vinegar to rinse as a fabric softener.
